COUNT I
VIOLATIONS OF THE ADA AND ADAAG

18. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.* (the “ADA”).

19. The ADA provided places of public accommodation one and a half years from its enactment to implement its requirements.

20. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 (if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

21. The Facility is a public accommodation and service establishment.

22. The Property is a public accommodation and service establishment.

23. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

24. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

25. Liability for violations under Title III or the ADA falls on “any person who owns, leases (or leases to), or operates a place of public accommodation.” 42 U.S.C. § 12182(a).

26. The Facility must be, but is not, in compliance with the ADA and ADAAG.

27. The Property must be, but is not, in compliance with the ADA and ADAAG.

28. Plaintiff has attempted to, and has to the extent possible, accessed the Facility and the Property in his capacity as a customer of the Facility and Property, and as an advocate for the disabled, but could not fully do so because of his

disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit his access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

29. Plaintiff intends to visit the Facility and Property again in the future as a customer and as an advocate for the disabled in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Facility and Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit his access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

30. Defendant has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Facility and Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

31. Defendant will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant is compelled to remove all physical barriers that exist at the Facility and Property, including those specifically set forth herein, and make the Facility and Property accessible to and usable by Plaintiff and other persons with disabilities.

32. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Facility and Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Facility and Property include, but are not limited to:

- a. The total number of accessible parking spaces on the Property is inadequate, in violation of section 208.2 of the 2010 ADAAG standards.
- b. Accessible parking spaces are not properly located or distributed on the Property, in violation of section 208.3 of the 2010 ADAAG standards.
- c. One or more accessible parking spaces on the Property are not located on the shortest accessible route from the accessible parking space(s) to the accessible entrances of the Facility, in

violation of section 208.3.1 of the 2010 ADAAG standards.

- d. The accessible parking spaces on the Property are missing proper identification signage, in violation of section 502.6 of the 2010 ADAAG standards.
- e. The access aisle adjacent to the accessible parking spaces on the Property is not level due to the presence of a ramp within the boundaries of said access aisle, in violation of section 502.4 of the 2010 ADAAG standards.
- f. There is broken pavement and excessive vertical rise at the base of the accessible ramp on the Property, in violation of section 405.7 of the 2010 ADAAG standards.
- g. The above described ramp has a cross slope greater than 1:48 (one to forty-eight) in violation of section 405.3 of the 2010 ADAAG standards.
- h. The accessible route on the Property that leads to the accessible entrances of the Facility has two portions (between Suites D and F and between Suites H and J) that have a total vertical rise greater than 6" (six inches), but has handrails complying with section 505 of the 2010 ADAAG standards on only one side of

each such portion, in violation of section 405.8 of the 2010 ADAAG standards.

33. The Property has not been adequately maintained in operable working condition for those features of facilities and equipment that are required to be readily accessible to and usable by persons with disabilities in violation of section 28 C.F.R. § 36.211.

34. Upon information and good faith belief, Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities on the Property are readily accessible to and usable by disabled individuals.

35. Without limitation, the above-described violations of the ADAAG made it more difficult for Plaintiff to exit and re-enter his vehicle while on the Property, more difficult and dangerous for Plaintiff to utilize the ramp servicing the Property, and more difficult for Plaintiff to travel upon the accessible routes while on the Property.

36. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Facility and Property.

37. Plaintiff requires an inspection of Facility and Property in order to determine all of the discriminatory conditions present at the Facility and Property

in violation of the ADA.

38. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

39. All of the violations alleged herein are readily achievable to modify to bring the Facility and Property into compliance with the ADA.

40. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because the nature and cost of the modifications are relatively low.

41. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because Defendant has the financial resources to make the necessary modifications.

42. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

43. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm

unless and until Defendant is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Facility and Property, including those alleged herein.

44. Plaintiff's requested relief serves the public interest.

45. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant.

46. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant pursuant to 42 U.S.C. §§ 12188 and 12205.

47. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant to modify the Facility and Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant from continuing its discriminatory practices;
- (c) That the Court issue an Order requiring Defendant to (i) remove the physical barriers to access and (ii) alter the subject Facility and Property to make them readily accessible to, and useable by, individuals with disabilities to the extent required by the ADA;

- (d) That the Court award Plaintiff's counsel reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.

Dated: August 17, 2021.

Respectfully submitted,
